Adecco Candidate Poll Results

From its website homepage, Adecco asked the following question in a recent poll:

What is most important to you when looking for a new position?

And here is how respondents answered:

Benefits: 5%

Job Satisfaction: 57%

Salary: 38%

The majority of poll respondents feel that job satisfaction is most important to them when looking for a new position. And while salary and benefits are important - it's happiness and satisfaction at work that comes out tops in this poll.
